

NZBS Volunteer – Roles & Responsibilities

Primary Objective: To support Donor Service staff in promoting a positive, friendly and comfortable environment that enhances the donor experience, promotes donor satisfaction and encourages donor retention. The NZBS volunteer will interact with donors throughout the donation process to ensure their value as a donor is reiterated and their customer needs are met.

NZBS Volunteers may include one or all of the following roles/duties:

- 1. Assisting with promotional initiatives and activities in the recruitment and retention of new and existing blood donors**
 - ◆ Distribute posters within communities or various business organisations
 - ◆ Provide hand-outs, brochures and other donor information to promote mobiles or at promotional events
 - ◆ Assist with administration tasks associated with donor recruitment
 - ◆ Help make donor welcome packs and compile other resource materials for events
 - ◆ Share information on campaigns and initiatives as requested
 - ◆ Refer all donors with medical questions to nursing staff

- 2. Meeting and greeting donors and directing them through the donation process.**
 - ◆ Greet and welcome donors when they arrive
 - ◆ Explain donation process flow
 - ◆ Provide flow directions from reception, registration, interview, the collection floor and the refreshment area.
 - ◆ Explain appointment process
 - ◆ Assist with donor flow to help manage appointments and walk in donors
 - ◆ Provide feedback if there are waiting times or delays in the process
 - ◆ Provide refreshments to those awaiting interview
 - ◆ Ensure magazines and other reading material is made available for donors waiting
 - ◆ Talk to donors and help put them at ease
 - ◆ Refer all donors with medical questions to nursing staff

- 3. Serving Refreshments and providing aftercare for donors.**
 - ◆ Welcome and offer refreshments to donors
 - ◆ Stock biscuits, sugar, tea, coffee, Milo, cold refreshments and other foods provided.
 - ◆ Ensure hygiene standards are maintained while providing refreshments. Gloves to be worn when handling food.
 - ◆ Keep refreshment area clean and tidy
 - ◆ Wash dishes or use dishwasher if available
 - ◆ Observe donors and inform staff if donors look, feel or become unwell
 - ◆ Acknowledge all donors for their contribution so they feel appreciated and valued
 - ◆ Refer all donors with medical questions to nursing staff
